A Statement of Our Philosophy

Our Jewish congregational community strives to provide an atmosphere of welcome, warmth, and the holiness of beauty with music and participation during worship. We wish to pray in a manner consistent with the principles of *Progressive Judaism*-- a philosophy which blends ritual aspects of current Jewish denominational practices, traditional and contemporary thought.

We strive for an intellectual and soulful pursuit of Jewish philosophy that we may encounter a spiritual path through inquiry and study of Torah. Together we work to welcome all who are committed, interested and inquiring and wish to pray and learn, celebrate and mourn together in a Jewish way; to affirm the inherent dignity, honor, and integrity of every human being as *b'tzelem Elohim*: created in God's image; to be dedicated to *Torah study*, deeds and acts of kindness, in Godly partnership and observances; and to work to attain *tikkun olam*, by helping others by our deeds in our community in cooperation with other religious and secular organizations.
